## Early May Special Edition!

### Nature Animals

Last weeks Friday Challenge was to use whatever you could find in the garden like stick's , twigs, flowers etc to create a picture of your pet or an animal. We had a great response with even one of our teachers getting involved to create a nature picture.

Beautiful pictures of animals made from nature. Well done to Ava, John, Josh, Jamie and Ms. Redmond.

# John tie dyeing in the Garden!

Great work here from John working on last week's Friday Challenge and then Tie Dyeing in the garden. Looks like your really enjoying having squelchy time with the paints and t-shirts John! There are some great results here - you're very welcome to wear one the first day back!

Jacob had a busy time on the farm this week. He had to check the cows going to and from milking, he had to make sure they all got safely to the milking parlour and then safely back to pasture.

Following that he checked out Blackie the farm cat who was watching a hole in the wall where there is a starling nest. Rosie the dog was also watching Blackie the cat.

Here's a picture of what we believe to be a Starling's egg.

# Elaine C on the phone.

Elaine decided to contact some of the students on the bus. As you can see Conor was delighted to see Elaine and Niall looked a bit worried at first but once he heard her voice he was delighted too.

Niall also sent a couple of pictures of him hard at work with his EyeGaze. Well done Niall - keep up the hard work!

## Finn out and about.

Finn kept busy around the local area visiting a shrine, cooking and working hard on his laptop. Hope you're keeping safe and well Finn!

# Keeping Busy

Ms. Gahan shared a few pictures of Junior Primrose out and about. The class look to be having a great time and we can't wait to see you all back in school again.

Shane and his niece Ellie decorated the window to help spread their happiness and positivity making everyone smile. A great idea Shane and well done.

Aoi bheann really enjoyed the zoom meeting last week. She was delighted to see all her friends and even sent us a photo of her getting ready for her meeting. She also made fruit salad.

Here are some pictures of Robbie and siblings playing the transport bingo game Ms. Murphy sent...by all accounts great fun!

And also Robbie helping with some more baking. He made scones this time.

Jessica reported they were all keeping well. Here are some weekly photos of Jessica keeping active at home, making a Chicken, Curry and Rice dish, and sowing some flowers in the garden.

Robyn has been having lots of fun in the sun this week, spending lots of time playing outside on her swing and slide. She has mastered climbing the steps to her playhouse. Well done Robyn!

We always sing happy birthday to our students each week in assembly. As we can't do that at the moment, here are this week's birthdays. Happy Birthday to James, Daniel & Judith!
