

October 2022

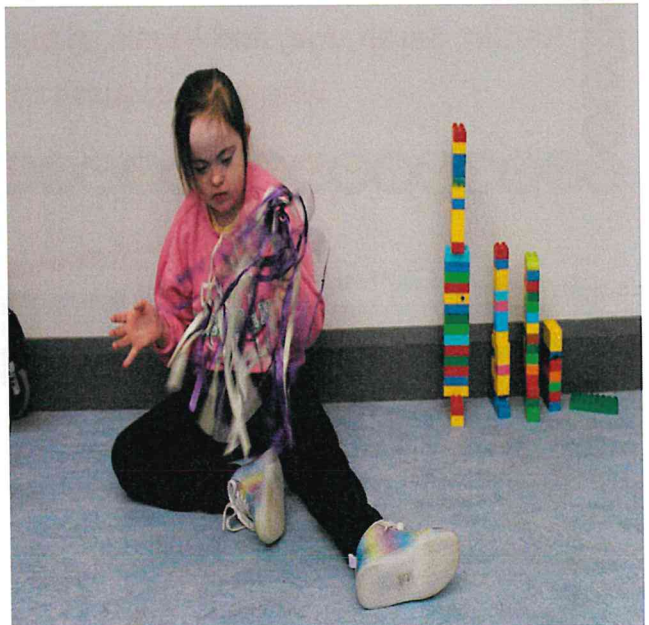

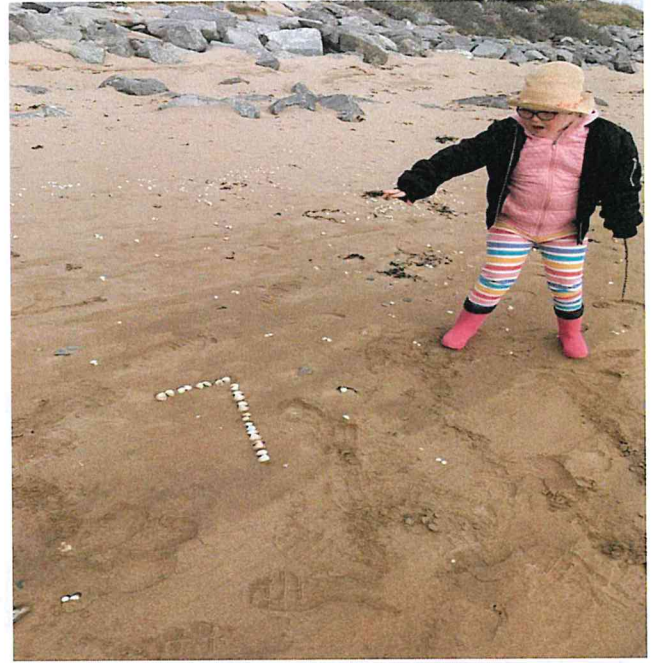

Welcome to October's edition of the St. Patrick's School newsletter. It was a very busy month with lots going on. Lots of classes went out on trips and the month was finished off with scary costumes and lots of fun being had in school as we celebrated

Halloweeeeeeeeen! Enjoy!!!!!!!

Maths Week

During October we celebrated Maths Week. Lots of puzzles were posted up around the school and lots of great work went on in all the classes. Many pupils undertook the number challenge. Especially well done to Conor, Miarose, Kaitlin, Sarah, Joe, and Kamil. A big well done needs to go out to Class Holly who all measured themselves with the bricks.

St. Patrick's V Gael Scoil Inis

Córtaidh.

This month saw our first soccer match. St. Patrick's played Gael Scoil Inis Córtaidh. It was a hard fought match and the game raced from end to end with plenty of goals scored. In the end St. Patrick's came out victorious winning 7-6. Well done everyone for playing so well and thank you to the great support that was offered by all the spectators.

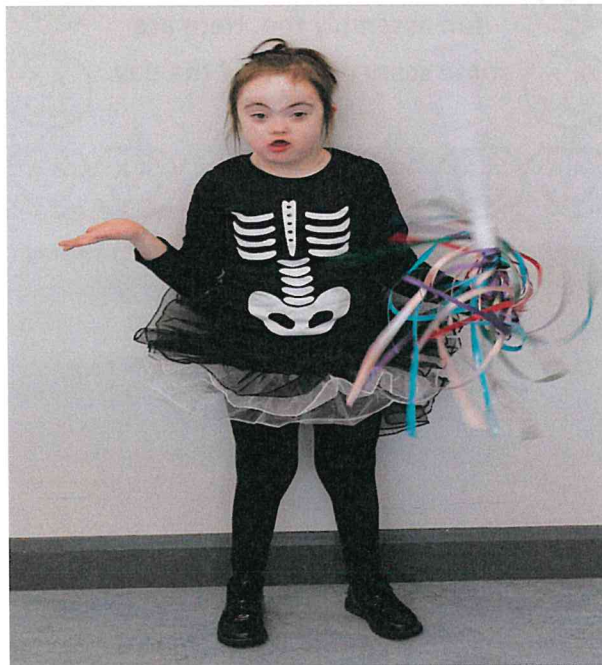

Jersey Day.

Also this month we held a Jersey day in aid of GOAL. €324 was raised over the day. The students and staff looked very bright in all their tops and kit.

Days out.

Over the month lots of classes have taken a day out.
Here are just a few.

Class Elm in Wheellocks.

Class Hawthorn in Rosslare and McDonald's.

Class Sycamore in Kennedy Park in the rain.

Goodbye..... This

month we also had to say goodbye to Marie Nolan who retired. Have a great time in your retirement Marie and best wishes from us all.

What is happening here? If you know what is happening here come to Class Sycamore and we may have a treat for you.

Oak news.

Oak has had another very busy month! We planted window boxes in Horticulture with Mairead and went to Wheelock's for a walk around the woods and for our morning break in the café. The students have also been very busy being creative in the classroom working on wonderful artworks on our Autumn and Halloween themes. On the topic of Halloween, the class had great fun carving pumpkins and comparing them to the original carved turnips! The students were outstanding at the Beginning of the school year mass in the cathedral and were proud to represent Saint Patrick's at the mass. They have also been participating in football, despite the inclement weather conditions! Everyone is looking forward to a restful midterm break and to coming back refreshed for another term of hard work!

October brought some very sad news to St. Patrick's, Harvey Smith sadly passed away. His beautiful smile and socks on his hands will live long in all our memories. Harvey made so many friends and he is truly missed around the school. St. Patrick's would like to extend our sympathy to his family at this time.

On Thursday 3rd November Ryan McGarr sadly passed away. Ryan graduated in the summer of 2021. His beautiful smile and mischievous charm made him many friends at St. Patrick's. He will live long in all our memories. St. Patrick's would like to extend our sympathy to his family at this time.
