

September 2023

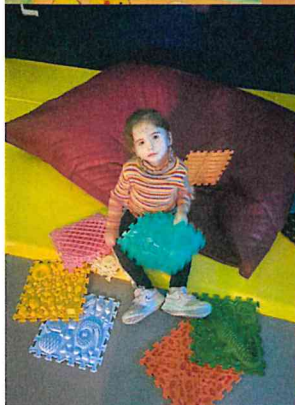

Welcome
Back.

Welcome back to school! Hope you all had a lovely summer. Can you believe that our first month in school is over, and October is already here. First of all we have to welcome all the new students and staff to St. Patricks. A big welcome goes out to John, Robyn, Keita, Adam, Thomas, Archie, Senan, Zoryana, Lucy, Jianna, Ben, Nova, Eve, Patrick, Cathal, George, Cian, Jenna, Mikey, and Mouhanad. We must also welcome lots of new staff members. We say another big hello to Ann, Alba, Siobhan, Anna, Jenny, Bernadette, Molly, Paul, Vanessa and Aebhinn. Welcome to one and all. We hope that you will all enjoy your time in St. Patrick's school.

Here are a few pictures of the new students.

Welcome

Welcome

Welcome Welcome

A big welcome also goes out to Austin, who is our new Horticulture teacher.

This term has been full of activity with school tours and walks out. Class Bluebell went horse riding, Class Sycamore visited the park and Vinegar Hill, Class Daisy went to Leisure Max and McDonald's, and Class Birch went to Johnstown Castle. Class Willow went to Wheelock's for something to eat. There has been lots going on in class with dancing and soccer training commencing and the pool is back up and running. Here are a selection of pictures from around the school. We have some pictures of trips to the park, birthday celebrations, rice krispie buns being made, classes bowling, students having their silhouettes traced, students using the computers, Mick being assisted by a willing helper and even some ice creams being enjoyed in the sun. Thank you again to all the classes for sending in all the photos. Apologies but couldn't print them all!

In memory of our friend, classmate and fellow
student Sean Barnes who sadly passed away over the summer. Our continued thoughts
and prayers are with you and your family.

R.I.P.
