# 2025

Welcome to the first newsletter of 2025. This month we will be looking at Class Willow and Class Hawthorn. Music features very large in their photos. Both classes have been working very well with Mary and everyone is really enjoying playing all the instruments and working as a group. Here are some photos of Class Willow and Class Hawthorn.

# Class Hawthorn

Here are some pictures of Class Hawthorn enjoying their time with Mary, and also making breakfast with Brigid. They were also helping keep the flower beds clear of weeds, with Austin helping them out. Class Hawthorn made some mobiles to celebrate Chinese New Year. Welcome to the year of the snake!
