

January 2026

Welcome back everyone and a Happy New Year to you all. Even though it has rained nearly every day since we have come back, everyone is in good spirits and enjoying being back. We can't move on with the month's news without a little look back at Christmas 2025. Here are a few pictures from the exciting time that was Christmas.

Class Aspen

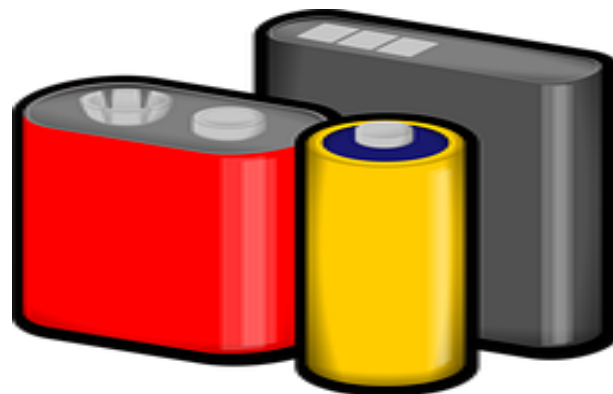

Class Aspen have been very busy this month. They worked on some new Year art and they played Duck Duck Goose in the hall for P.E.

Class Primrose

Here are some photos of Class Primrose having fun and working hard.

Many thanks to everyone who has sent in used batteries. We have had our second collection and we are well on our way to having our third! Used batteries can be sent into school and sent to Mr Groves who is collecting them in his class.

National Tree Week.

This year the school will be celebrating National Tree Week which is being held between 8th-15th of March. In preparation for it we will be entering a photography competition which is being held by The Tree Council of Ireland in partnership with Coillte. Keep your eyes open for a information leaflet about it coming home soon.
